Corporate Social Responsibility (CSR):

At Bhilosa Industries Private Limited (“the Company”), the CSR philosophy is rooted in making a meaningful difference, driven by compassion, accountability and long term vision. It reflects a commitment to contribute meaningfully to the well-being of society, particularly to the underserved and marginalized communities. Through prudently designed initiatives, the Company actively works to uplift lives and promote an inclusive growth.

We firmly believe in the potential of CSR to create a positive and lasting impact on society at large. By supporting and implementing developments that address the diverse needs of various communities, the Company strives to contribute constructively to community-centered and environmentally sound initiatives.

The Company’s CSR Policy outlines its vision, mission, focus areas, and alignment with the key provisions of the Companies Act, 2013. The Board of Directors have approved a range of initiatives, which will be implemented either directly by the Company and/or through implementation agency (ies), trusts, NGOs, etc.

As part of its commitment to national development, the Company has also participated in the PM Internship Scheme launched by the Government of India which aims to provide the youth with industry-relevant training and skill development opportunities.
