Corporate Social Responsibility (CSR):

At Bhilosa Industries Private Limited (“**the Company**”), the corporate values are deeply ingrained with compassion, accountability and long-term vision. This foundation shapes Company’s CSR philosophy driving us to make a meaningful difference in the communities where we operate. The Company remains dedicated to enhancing the well-being of the society, especially uplifting underserved and marginalized communities. Through prudently designed initiatives, the Company actively works to uplift lives and promote an inclusive growth.

We firmly believe in the potential of CSR to create a positive and lasting impact on society at large. By supporting and implementing developments that address the diverse needs of various communities, the Company strives to contribute constructively to community-centered and environmentally sound initiatives.

The Company’s CSR Policy outlines its vision, mission, focus areas, and alignment with the key provisions of the Companies Act, 2013 read with related rules thereto. The Board of Directors have approved a range of initiatives, which will be implemented either directly by the Company and/or through implementation agency(ies), trusts, NGOs, etc. With local communities as their most important stakeholders, the Company is committed to creating stable and sustainable futures for them.

As part of its commitment to national development, the Company has also continued its participation in the PM Internship Scheme launched by the Government of India which aims to provide the youth with industry-relevant training and skill development opportunities.
